DETAILED ACTION

Allowable Subject Matter

Claims 9, 12-19 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose a method for transferring information from a portable agenda replication device to a vehicle navigation system including accepting entry of an agenda comprising a destination and a requested time of arrival at the destination; storing the agenda in a computer readable storage mechanism; retrieving the agenda from the storage mechanism; transmitting the retrieved agenda to the vehicle navigation system; and instructing the vehicle navigation system to use the agenda to determine a route to follow to the destination based upon the requested time of arrival and also based upon at least a cellphone coverage preference, a road condition preference, or a scenic route preference; and

using the portable agenda replication device to update the agenda in the middle of a multiple-stop trip by determining whether a travel agenda table stored in the system matches that stored in the portable agenda replication device and in the event that there is no match, updating a calendar item in the vehicle navigation system with agenda information from a calendar, and once a determination is made that the agenda information in the vehicle matches the information in the portable agenda replication device, selecting all items in the travel agenda table stored in the vehicle navigation system that do not have a calculated route associated therewith; wherein, when a location is dropped from the agenda or a new entry is added to the agenda, the route is

automatically recalculated by the system in response to the vehicle navigation system receiving the updated agenda from the portable agenda replication device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
